

Office of Information Technology
Albuquerque, New Mexico

October 7, 2005

Transmitted is a new version of the Indian Health Service, Office of Information Technology, Resource and Patient Management System (RPMS) Standards and Conventions (SAC) and Developer's Handbook, dated September 2005

2. The SAC and Developer's Handbook provides policy guidance and procedures to the development of software applications intended for certification as an RPMS application. RPMS certification shall be granted in accordance to this document. The new version of the SAC is effective immediately. The new documents are available on the IHS Internet (www.ihs.gov) under the Information Resources RPMS SAC page.
3. **RESCISSIONS:** Resource and Patient Management System (RPMS) Programming Standards and Conventions (SAC), dated January 2003.

George T. Huggins
Acting Director
Division of Information Technology
